

Hunt with Matt

Hunting since 1978, Matt has been guiding big game hunts in Alaska since 1991. He is an experienced Alaskan Licensed

Bush Pilot and Aircraft Mechanic with thousands of hours of flying time in Alaska. He will be providing transportation from home base camp

to the hunting area. Home is located at the base of the TMA and you will likely spot sheep from the house.

Matt will be out scouting and keeping track of populations as he traps and flies the area throughout the year. He is a board
